WHAT DOES SISU MEAN?

"Sisu" is a Finnish concept that embodies extraordinary determination, courage, and resilience in the face of a great challenge. It's about finding the inner strength to persevere and overcome challenges with grit and bravery. At Sisu Play Cafe, we believe in fostering this spirit of Sisu in children as they explore, learn, and grow

HOW DOES SISU PLAY CAFE WORK?

At Sisu Play Cafe we have multiple 1.5hr Open Play time slots available for reservation Tuesday-Saturday. These time slots will be available on our website for booking ahead; if reservations do not fill up walk-ins will be available.

We use these structured time slots for a variety of reasons. We do not believe in interrupting your playtime. Uninterrupted play provides children the freedom to explore, create and discover.

During the 30 min breaks between sessions we reset the space so that every play group feels like the first ones who have arrived and find toys exactly where they are supposed to be. Although we use baby safe cleaning products we also use this reset time to clean and sanitize between groups to cut back on germs! This is all done with intention to provide a safe and clean space you are happy to bring your littles to!
